Dear Jon Frey,

On June 11, 2007 the Evansville School Board graciously accepted your \$500 donation to the Evansville School District for the construction of the outdoor batting cage. Your donation facilitates our desire to continue developing opportunities for Evansville youth to experience positive life experiences while participating in Evansville Athletics. On behalf of the Evansville Board of Education and the Evansville Athletic Department, we would like to extend a sincere, thank you, for your generosity.

Sincerely,

Brian Cashore
Associate Principal/Athletic Director
